## SCHOLARSHIP & STUDENT LOAN FUND

LAPEER GRADUATES ARE READY TO SOAR!

YOU CAN HELP CREATE A BRIGHTER FUTURE TODAY.

With rising costs in college tuition and a higher percentage of our graduates attending college, more financial resources are needed to help our students. Some need scholarships, some loans just to make ends meet for their college costs.

**LAPEER**  
COMMUNITY

**SCHOLARSHIP &  
STUDENT LOAN FUND**

The Lapeer Community Scholarship & Student Loan Fund Board is a non-profit corporation that raises funds to assist Lapeer high school graduates with college costs. The LCSSLF Board of Directors include community and business leaders, school staff and Lapeer Community Schools alumni. The Board carefully plans, invests and administers all scholarship and loan funds to maximize earning from endowments and to allocate funds each year to scholarships and loans. With continued support from our community and as the funds grow, so too does the opportunity to provide more loans and scholarships to our graduates as they begin their college education.

FOR OVER

**90 YEARS**

**THE LAPEER COMMUNITY SCHOLARSHIP  
& STUDENT LOAN FUND HAS BEEN  
PROVIDING ASSISTANCE TO  
LAPEER GRADUATES.**

**CREATE A  
LEGACY**

*BY GIVING TO THE  
SCHOLARSHIP & LOAN FUND*

Financial support of the Scholarship & Student Loan Fund includes gifts made as memorials to honor family and friends, as well as planned giving through trusts and estates. The Rod Parsch Memorial and the Joann Nelson Memorial Scholarships are presented annually at the LHS Honors Convocation and are published in the program.

**Historically speaking...**

The Lapeer High School Student Loan Fund wrote its first loan in 1924. Later, the scholarship program was added. John Sak and Rod Parsch were initiators of the organization and service. The scholarships and loans have been distributed to college students who graduated from Lapeer High Schools: West, East, Community. And now LHS.

**YOU CAN HELP  
BY DEDICATING YOUR  
DONATION**

*TO SUPPORT  
SCHOLARSHIPS OR STUDENT LOANS*

The Lapeer Community Scholarships were established with donations from Lapeer staff and community members. Ten-\$750 Community Scholarships are given to Lapeer grads who have attended LCS for at least seven years.

**Currently**

LCSSLF awards \$10,000 in scholarships annually to Lapeer graduates. Lapeer graduates are benefitting from over \$230,000 in distributed loans. Twenty new loans are issued annually to Lapeer graduates through this Fund assisting them with their college expenses. College graduates are making regular payments back to the Fund and typically pay off within five years. These payments are used to make new loans for next year's high school graduates.
